

Proudly serving the Range community for Over 20 years!

Technical Manufacturers' Representation and System Integration

Thank you for considering YawPITCH. We offer Technical Sales Representation which is built on strong personal relationships, face to face meetings, and doing the right thing.

YawPITCH is a full service Manufacturers' Representative firm focused on delivering exceptional personal service to Range and Mission Systems customers across the United States. Our line card features airborne qualified data recorders, avionics databus test and simulation, rf spectrum analyzers, telemetry over ip, data acquisition with integrated signal conditioning, and mobile command and control/flight test vehicles. These products are typically used in flight test, communication links, avionics, processing, and engine test applications. We leverage more than 24 years of experience in the Aerospace Marketplace. NAICS Codes 541618 & 541613. We are a small business and our cage code is 8D1L6.

YawPITCH - We Connect People with Technologies

AIT is a leading designer and manufacturer of Test Instrumentation, Databus Analyzers, and Rugged Embedded interface solutions for Military and Commercial applications. NAICS Code: 334511
MIL-STD-1553, Arinc-429, Fibre Channel, AFDX, HS1760, Gig E, 10G Ethernet
